1. Organization Overview

   - Name of the organization: Golden Crust Bakery
   - Brief History: This small business started in a kitchen at home, where my mother was teaching me how to bake, experimenting with recipes and flavors trying to sharpen my baking skills, not knowing that one day I will be a professional baker.
   - Mission: My mission is to create unforgettable tastes and experiences through cakes by bringing joy and sweetness to every occasion.
   - Vision: The vison is to be known for exceptional cakes, outstanding customer services and real commitment to quality.
   - Our Target Audience are individuals who are looking forward to buying cakes for celebrations like birthdays, baby showers, weddings, graduation or special treats.

2. Website Goals and Objectives

   - Website Goals

     The goals are to make it easy for people to pick cakes, flavors, and order through the website without any time wasted especially during preparation of any kind of celebration or event. Utilization of pictures to showcase the work will make the customers gain trust.
